Commercial Project Details

Commercial plumbing is calculated at 1% of the valuation with a minimum fee of \$125.00, plus the state surcharge of .0005 × valuation.

Estimated Valuation of Work: \$ _____

I hereby apply for a sewer and water permit and acknowledge: the information above is complete and accurate; the work will be in conformance with the Ordinances and code of the City of Gem Lake and Minnesota State Building Code; I understand this is not a permit but only an application for permit; work is not to start without permit; work will be in accordance with the Approved Plans when City plan approval is required. Separate permits are required for building, electrical, mechanical, fire suppression, fire alarm systems, sewer and water. This application and any issued permit may become null and void if permit is not issued or work is not commenced within 180 days, or if work is suspended or abandoned for a period of 180 days. I hereby certify that I have read and examined this application. The granting of a permit does not presume to give authority to violate or cancel the provision of any other state or local regulating construction or the performance of construction.

All General Contractors and all Sub-Contractors performing work in connection with this permit are required to be licensed by the State of Minnesota and/or the City of Gem Lake
